option_301_storage_handoff:same-day transfer to StorNest Midtown

option_301_logistics_note:'Dock reservation required; freight elevator coordination not included in auto-book'

option_id:MV-BDL-302 provider 'WeekendSaver Movers + MetroLock'

option_302_total_usd:765

option_302_deposit_usd:150

option_302_assumption:'Best pricing assumes Saturday access'

option_302_incompatibility:weekday surcharge applies and Apr 17 slot unavailable

option_id:MV-BDL-303 provider 'CityLift Moving + CubeHold'

option_303_total_usd:918

option_303_deposit_usd:250

option_303_incompatibility:exceeds both total budget and deposit cap

recommendation_note:Option MV-BDL-301 is top fit if dock/elevator timing can be confirmed

Additional Information

Render a clean comparison PDF titled 'Moving/Storage Bundle Options – April 2025'. Include a table with at least three candidate bundles and detailed notes. Option MV-BDL-301: QuickHaul + StorNest bundle, total $842, deposit $180, available Apr 17, uses 20-ft truck, includes same-day transfer to StorNest Midtown, note that dock reservation is required and freight elevator coordination is not included in auto-booking. Option MV-BDL-302: WeekendSaver Movers + MetroLock, total $765, deposit $150, prominently note best pricing assumes Saturday access and Apr 17 weekday slot unavailable or subject to surcharge, making it incompatible. Option MV-BDL-303: CityLift Moving + CubeHold, total $918, deposit $250, available but exceeds budget and deposit limits. Add a recommendation footer stating MV-BDL-301 is the best fit contingent on logistics confirmation. Make the PDF look like an internal market-scan document.
