Additional Information

Render a two-page policy PDF excerpt from an internal knowledge base. Page 1 article header: 'PA-204 — Post-Purchase Price Adjustments'. Include exact policy language that price adjustments are only allowed within 7 days of delivery when the lower eligible price is reflected in the authoritative order system at purchase time; customer screenshots or wallet receipts alone are supporting evidence and not authoritative proof. Page 2 article header: 'FS-118 — Flash Sale Terms and Exclusions'. Include exact language that flash sales exclude marketplace sellers and bundle listings unless the order system explicitly marks them eligible; marketing banners may be cached/personalized and do not override checkout eligibility; previously denied disputes with unchanged evidence should not receive duplicate refund/store credit. Format like a crisp internal policy PDF with section numbers and bullet points.
