Additional Information

Create a 3-page internal ecommerce escalation PDF packet titled 'Escalation Review Packet - Case ESC-EC-T20-447'. Page 1: case summary table listing Customer: Darius Boone, Scoped Order: EC-81244, Issue: missed birthday delivery, Current Question: 'Should goodwill credit be added on top of already refunded shipping charge?'. Include a visible note that the uploaded concierge screenshot says 'we'll make it right' but does not specify compensation. Page 2: communication/case timeline with entries showing a shipping charge refund already completed for order EC-81244, amount $15.99, destination 'original payment method', and status 'posted'. Also state 'No additional goodwill/store credit issued yet on EC-81244.' Page 3: related-records section showing nearby order 'EC-81214' for a similar Boone household/surname and mark it 'different order - do not use for this decision'. Include a small redacted sensitive-notes area indicating internal VIP notes exist but are not for disclosure. Make the PDF look like an internal case export with timestamps, agent initials, and standard enterprise formatting.
