Additional Information

Create a text-precise policy PDF excerpt from an internal knowledge base titled 'Post-Delivery Damage Resolution & VIP Goodwill'. Include clearly labeled bullets or a table with these rules: (1) packaging/box damage by itself is insufficient for product exchange if the merchandise is intact; (2) exchange eligibility requires visible item damage or defect tied to a delivered order; (3) same-item replacement exchange creates zero additional charge/refund delta; (4) any goodwill must be issued as a separate store credit action; (5) Platinum/top-tier/VIP customers may receive up to $10 goodwill store credit for a substantiated delivery problem; (6) VIP status alone is not enough without validated issue evidence. Format like a compliance-ready PDF article.
