Additional Information

Include header metadata: Account: Rowan Beck Enterprises, Opportunity: OPP-9134, Quote: Q-8102, Prepared by: Account Team. Show tracked changes/redlines throughout. On the pricing/term page, include a clause where the standard subscription term '24 months' is struck through and replaced with '36 months' in red text, with a margin comment like 'Customer requests 3-year fixed pricing'. Include another edited sentence stating pricing discount remains fixed for the entire 36-month term. Add standard legal boilerplate and signature blocks marked 'Draft - Not Executed'. Ensure the quote/opportunity IDs are clearly readable and exact.
