Additional Information

Render a 2-3 page beneficiary designation confirmation PDF for Harbor Peak Life Insurance Company tied to contract ANN-774193 and client CL-8485. It should clearly identify owner Lucille Grant and show a recorded beneficiary designation effective 11/02/2023. List primary beneficiary as Evan Grant (relationship: son) and contingent beneficiary as Maya Grant (relationship: daughter). Include a visible insurer 'Recorded' or 'Received and Recorded' stamp with a date in November 2023. Include Lucille Grant's signed designation line. Add explanatory text that beneficiary designations are effective only when recorded by the insurer. The document should look like a scanned form/confirmation retained in file and be precise enough for an operations analyst to compare names, contract number, status, and effective date.
