Northbeam Processor Addendum Signed

Signed processor addendum defining incident-notification timing, deletion certification, and cross-border data handling obligations.

Document Details

General

entity:contract/dpa_northbeam_v3 effective date 2024-09-01

entity:vendor/northbeam_cloud designated as processor for hosted support-portal backups

entity:contract_clause/notice_24h requires processor to notify controller without undue delay and in no event later than 24 hours after becoming aware of a personal-data breach

entity:contract_clause/controller_assistance requires processor to provide facts necessary for GDPR Articles 33 and 34 notices

entity:contract_clause/deletion_certification requires written deletion or return certification within 10 business days of controller request following termination or incident remediation

entity:contract_clause/subprocessor_transfer restricts non-EEA transfers to listed subprocessors under SCCs only

entity:contract_clause/audit_log_retention requires security logs retained for at least 180 days

entity:contract_clause/ccpa_assistance requires reasonable assistance for California consumer and regulator notifications

entity:contract_clause/contact_matrix lists privacy@altrix.example and breachdesk@northbeam.example as mandatory notice recipients

entity:contract_clause/noncompliance_fee_shift allocates reasonable response costs to processor for breach caused by processor control failure

Additional Information

Render a polished legal PDF titled 'Data Processing Addendum (Northbeam Cloud, Inc.)' between Altrix Home Systems GmbH and Northbeam Cloud, Inc., signed and dated effective 2024-09-01. Include numbered sections and annexes. Must contain exact substantive clauses: processor breach notice 'without undue delay and in no event later than twenty-four (24) hours after becoming aware'; processor must provide all information reasonably requested for GDPR Articles 33 and 34 notices; deletion/return certification due within 10 business days of controller request after remediation or termination; international transfers limited to listed subprocessors under SCCs; audit/security log retention minimum 180 days; assistance for California notification obligations; mandatory notice contacts privacy@altrix.example and breachdesk@northbeam.example; processor bears reasonable response costs if incident arises from its control failure. Include signature blocks showing both parties executed. Format like a real negotiated DPA with annex tables.
