statement[S1]: says service disruption remains under investigation

Additional Information

Render a one-page PDF that looks like a screenshot pasted into a document for evidence preservation. The screenshot should depict an email or official statement from 'Alder Point Transit Media Relations ' with subject line 'Statement on Harbor Station Service Disruption'. Timestamp: Thu, Aug 14, 2025, 9:02 AM. Body text must clearly state that Harbor Station service is temporarily suspended after smoke from an overheated trackside power unit/electrical equipment; first responders are evaluating the area; there is no evidence of a toxic chemical leak; no deaths have been reported; two passengers were evaluated on scene for minor respiratory discomfort; and service impacts continue while crews inspect equipment. PDF should preserve crisp selectable-looking text and official footer branding.
