Tipster Transcript Excerpt Redacted

Redacted transcript excerpt from a protected tipster describing report timing, account patterns, and uncertainty about actor linkage.

Document Details

General

entity:privacy.tipsterA — speaker identity fully redacted as protected tipster

entity:case.ms4821 — transcript references case MS-4821

entity:account.mayaofficial-live — tipster says the account used Maya Solis's name/photo but is unsure whether it is true impersonation or a fan/parody account

entity:account.panelwatch_updates — tipster mentions another account reposting hostile clips under handle @panelwatch_updates

entity:claim.bundle1 — transcript states several accounts posted in close timing after the panel but says 'I can't prove they are coordinated'

entity:event.panel-livestream-0417 — timeline described as beginning within hours of the 2025-04-17 panel

entity:privacy.phone-voicenote — transcript references a separate voice note sent to moderators

Additional Information

Render a one- to two-page PDF transcript excerpt with clear redactions. Title: 'Protected Tipster Transcript Excerpt — MS-4821'. Use transcript formatting with timestamps and speaker labels like '[REDACTED TIPSTER]'. Include lines such as: 'Within a few hours of the 4/17 panel, I saw several accounts pile on.' 'One account was @MayaOfficial_Live using her name and photo, but I don't know if that's an actual impersonator, parody, or a fan account.' 'Another handle, @panelwatch_updates, kept reposting cropped clips with insults.' 'The timing looked coordinated to me, but I can't prove the same actor runs the accounts.' Include a footer note: 'Tipster identity protected; do not reproduce in external filing.' Make the PDF text crisp and selectable.
