Moving Bundle Options Matrix Apr2025

Comparison packet of candidate moving and storage bundles, including one attractive but incompatible weekend-assumption option and one option requiring logistics clarification.

Details

Header Shows Request Id	DL-009
Header Shows Customer Id	DL-CUST-009
Comparison Month	April 2025
Option A Provider	MetroMove + Store bundle
Option A Move Day Assumption	Saturday April 26, 2025
Option A Total Estimated Cost	$2,180
Option A Compatibility Status	incompatible because destination loading dock is weekday-only
Option B Provider	CityHaul Movers with FlexStor add-on
Option B Move Day	Wednesday April 23, 2025
Option B Storage Term	2 weeks
Option B Total Estimated Cost	$2,320
Option B Compatibility Status	best fit pending logistics clarification
Option B Clarification Needed	confirm loading dock reservation and certificate-of-insurance submission deadline
Option C Provider	BudgetVan + Self-Storage combo
Option C Total Estimated Cost	$1,980
Option C Drawback	customer must handle separate labor-to-storage transfer

Additional Information

a realistic 2-page comparison packet PDF for moving and storage bundle evaluation

a header with the request ID and customer ID and a footer with page numbers

Page 1 contain a comparison matrix table with three candidate bundles as columns or rows and evaluation criteria such as provider, move date assumption, storage term, estimated total cost, access fit, payment terms, and operational notes
