Additional Information

a realistic 3-page insurance policy PDF in a professional Chinese insurer style with bilingual English support labels

a header band containing the policy number, insured name, plan year, and a small administrative reference line that includes fixture entity ID PF-3303

sections for policy schedule, benefits summary, inpatient reimbursement rules, deductible and exclusions, claims procedure, and approval workflow

a claims administration section that states documentation requirements, submission timing, and a note that high-value claims require supervisor review

Use realistic formatting such as bold labels, boxed notices, and signature/stamp area on the final page
