Additional Information

a realistic 3-page executed contract excerpt PDF in a formal legal style using reportlab

a small header on each page with the matter reference 'LC-008'

Page 1 show an excerpt title such as 'Supply Agreement Excerpt' and identify the contracting parties, effective date, and a delivery schedule section in numbered contract formatting

a delivery table or clearly formatted clause showing the shipment item, delivery deadline, and delivery location

Page 2 present a force majeure section in standard legal prose with subsection numbering, including listed example events, a mitigation obligation, and a written-notice timing requirement

Use realistic typography, clause numbering, margins, page numbers, and a slightly scanned-document feel if desired, while keeping the text crisp and machine-readable
