Services

Master Services Agreement

Executed master services agreement defining amendment authority, statement-of-work precedence, notice rules, and signature requirements for Mirevault Robotics and customer CUS-8124.

Details

Matter Reference On Footer/Header	LC-029; customer ID: CUS-8124; request ID: RQ-55418.
Parties are Mirevault Robotics, Inc. and customer account CUS-8124.	
Effective date is 2025-01-05.	
Section 2 states services are governed by separately executed Statements of Work.	
Section 4.2 states pricing in an SOW is fixed unless changed by a written change order signed by both parties' authorized representatives.	
Section 12.3 Amendment clause states no amendment, modification, or waiver is effective unless in a writing expressly referencing the agreement and signed by both parties.	
Section 12.8 Counterparts/Signature Pages allows counterparts but only for the same final document version circulated for signature.	
Authorized signatory block for Mirevault Robotics identifies 'Dana Ivers, VP Commercial Operations' as signatory on the MSA.	
Order of precedence clause states the MSA controls over conflicting informal communications, while a duly executed SOW controls scope and pricing for the project.	
No clause authorizes pricing changes by email alone.
