Additional Information

a realistic 1-page probate document PDF excerpt showing the signature page of a will

a testator execution block with signature line, printed-name line, and date line

Below that, include two witness attestation blocks with short attestation language, signature lines, printed-name lines, address lines, and date lines

In the lower portion, include a self-proving affidavit with standard oath-style paragraph formatting and a notary acknowledgment area containing signature line, printed-name line, commission expiration line, and a visible notary seal/stamp graphic
