The Quote States Approved Replacement Cap	$2,650.00.

Additional Information

a section 'Damaged Device Assessed' with serial DLX-8841-JG and note 'Display fracture, liquid ingress, keyboard failure; repair not recommended'

Rows: 1) Repair Estimate / Board-display-keyboard assembly / DLX-8841-JG / $2,460

Then list package add-ons with exact prices: Executive white-glove setup $140

subtotal math showing the full replacement package totals $2,650

Page 2 can contain terms, delivery notes, and a note that serial NX-ELT-39017 is the approved replacement unit for this request
