Additional Information

a realistic 3-page internal policy PDF for a research funding agency

Use a clean government-policy style with a simple header showing the agency name, policy title, policy number, and effective date

a table of contents on the first page and numbered sections with subsection headings on following pages

The layout resemble an official administrative manual: section numbers in bold, body text in justified paragraphs, occasional bullet lists for requirements, and a footer with page numbers

sections for scope, procurement thresholds, competitive bidding requirements, prohibited contracting practices, exceptions and approvals, conflict-of-interest expectations, and record retention
